Bali arrival

Meals: None

Welcome to Bali!

Upon arrival in Airport Denpasar, our driver is waiting for you at the arrival gate. Before we bring you to your hotel in Seminyak, we will visit some nice places in Bali. First we take you to Uluwatu on the southwestern tip of the Bukit Peninsula, where you will visit Pura Luhur Uluwatu, a beautiful Hindu temple perched on the top of a cliff, with breathtaking views overlooking the Indian Ocean. After that we will visit Pandawa and Padang-Padang beach to enjoy the beautiful view.

In the afternoon you will arrive at your hotel in Seminyak.

Seminyak is a beach town located in southeast Bali. With humble beginnings it has evolved into Bali's most sophisticated and upscale beach resort. One of the older more notable landmarks is Petitenget Temple, but most of the town is endless rows of designer stores. However, among all the modernity and glamour there are a few interesting things to see and do within an easy taxi ride of most resorts or villas. There are also some great places to eat, as well lots of places to shop for handicrafts, not to mention a whole variety of bars and restaurants. The main thoroughfare is Raya Seminyak Road, more commonly called Jalan Legian, which runs parallel to the beach.

Note: You should arrive in Denpasar before 11 am.

Today you will be picked up by our driver for a beautiful trip to North of Bali. First, we drive to Bedugul, up in the mountains of Bali, visit the well-known temple Pura Ulun Danau Beratan. This temple built in 1663 for the goddess Dewi Danu is of great importance as the water from Lake Bratan irrigates much of the land south of Bali.

And then continue to see the beautiful rice terraces of Jatiluwih. This World Heritage Site is a living museum showcasing the island's traditional methods of agriculture; where clever land use and cooperative use of water and other resources turns almost-vertical hillsides into lush, 'postcard' rice paddies.

Before we back to the hotel, we will enjoy the sunset at the famous sea temple called Tanah Lot.

Tanah Lot is a rock formation just off Bali's west coast that is home to the ancient Hindu pilgrimage temple Pura Tanah Lot, a popular cultural icon for photography with a steady stream of visitors. The temple is particularly well known for its unique setting just off the shoreline and its beautiful sunset backdrops. The ancient Hindu shrine perched atop of the rocky outcrop is real Bali icon not to be missed.

Day 3: 2020

Bali Departure

Meals: B

This morning we will do a daytrip to the central of Bali. First we will visit Tirta Empul, a water temple where locals go to take purifying baths on the waters that rush down from the river. The special water, or *tirta* in Balinese, is supposed to have healing properties. If you want to take part in the purification ritual, bring a bathing suit and a sarong.

Visit Bali will not be complete without a visit to the Tegalalang rice terraces, just north of Ubud, which are 600 m above sea level and are arguably one of the most picturesque landscapes you will see in Bali.

After that you will be dropped to the Airport to catch your fly back home!

Note: The flight should be after 4 PM.

Selamat jalan – have a safe trip!
